

Business VoIP

Hosted White Label Solutions for VoIP Service Providers

A Full Range of VoIP Solutions for your Business Customers

Telinta offers a full range of white label VoIP solutions that enable you to offer a complete portfolio of telephony services to win and retain business customers. This includes Class 5 features, Voice Mail, Hosted PBX, SIP Trunking, Call Centers, Audio-Conferencing and other solutions. With Telinta, you can select the highly scalable cloud-based VoIP solutions you need to serve any size business customer, virtually anywhere in the world.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Business VoIP, all under your own brand.
