

Residential VoIP

Hosted White Label Solutions for VoIP Service Providers

Residential VoIP with the Features your Users Need

Telinta's white label solution for Residential VoIP has the features you need to win and retain customers. With Telinta, you can provide highly reliable residential telephony services that your customers and resellers can rely on. This includes Class 5 features, voice mail and streamlined provisioning of popular ATAs and IP phones.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of services in addition to Residential VoIP, all under your own brand.
