TeliCon™ Audio-Conferencing

Hosted White Label Solutions for VoIP Service Providers

Audio-Conferencing for your Business Customers

TeliCon™ is our feature-rich Audio-Conferencing solution for VoIP service providers. TeliCon enables you to offer brandable web portals, multi-language IVR, virtually unlimited participants and conference rooms, with all the features and controls your customers can rely on.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of VoIP services in addition to Audio-Conferencing, all under your own brand.

Cloud-based, rapid deployment, no capital investment

Best-of-breed Audio-Conferencing technology

Highly stable, scalable and customizable platform

Ready-to-use turn-key VoIP solution

Your own DID providers

Comprehensive Training and Around-The-Clock Technical Support
