

Wholesale DIDs and Toll Free Numbers

Sell your own DIDs with our Hosted Softswitch

Offer DIDs and Toll-Free Numbers to your Customers and Resellers

Telinta's cloud-based switching and billing platform enables you to offer Wholesale DIDs and Toll-Free Numbers using our highly stable and reliable carrier-grade softswitch platform.

Our Wholesale DID solution includes convenient APIs for leading DID providers. You can use any DID providers you need, as many as you need. With Telinta, you can offer brandable, customizable multi-language portals to your customers and resellers. Our flexible billing means you can bill your customers monthly fees, per-channel and per-minute charges, offer volume discounts, promotions, and more.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of VoIP services in addition to Wholesale DIDs all under your own brand.
