

Wholesale VoIP Solutions

Hosted White Label Solutions for VoIP Service Providers

Hosted Solutions for VoIP Switching and Billing

Telinta offers a cloud-based turnkey solution that enables you to run a privately branded, Wholesale VoIP business. Our highly stable carrier-grade platform provides the scalability, routing and rating that Wholesalers can rely on. Our comprehensive reporting and real-time analysis tools help you manage key metrics to keep close tabs on your business.

TeliCore™ is our robust carrier-grade platform, integrating Telinta's cutting-edge VoIP solutions with world-class Switching and Billing capabilities from PortaSwitch. With Telinta's highly-customizable white label solutions, you and your resellers can offer a full range of VoIP services in addition to Wholesale, all under your own brand.
